

Family of Faith

Steven Ottományi, 2007

LM

Lord Jesus Christ, who rose from death,
Our spirit's life, our spirit's breath:
You show the way that leads to peace,
Where anger sleeps, where hatreds cease.

O Key of David, open wide
The doors now blocked by human pride.
Come, change our hearts, make clear our need
To follow where your will shall lead.

And still, O Lord, you walk our way;
You walk with us both night and day.
You call us, Lord, in love to be
A sign of hope, of unity.

So lead us, Lord, to live and claim
All that it means to bear your name.
Now make of us one family
Of faith, of hope, of charity.
